1. **Apologies** for absence were **accepted** from; Steve Roch & Victoria Egan.
2. There were no **Declarations of Interest** from committee members.
3. **Resolved** that the **Minutes** of the meeting held on Monday 23rd May 2022 are signed as a true record.
4. **Public Participation** – None.
5. We still await a reply from The National Trust (will chase this as VE is not with us this evening) with regard the proposed 3 consultation options regarding the use of the dinghy park as an **Overflow Car Park** as agreed at our May meeting. BSC have indicated that they would prefer to leave things as they are.
6. The following items were **Resolved;**
 - **Winter permits** – No action needed.
 - **Abandoned boats** – No action needed.
 - **Breaches** – There are a number of infringements and lots of unregistered boats, notices will be attached accordingly.
 - **Boat disposal/skip** – No action needed.
 - **Winter works & grass cutting** – No action at present – (2 cuts per annum)
 - **Regulations** – JS will make one small amendment.
 - **Notices** – JS will inform Clerk of number required and action accordingly.
 - **2022 Season** – Dinghy Park looking good.
 - **Kayaks** – registration and stickers; moving forward to the 2023 season, we are having labels with an eyelet produced, and will place a notice on a stake near to the kayak area before the end of this season, asking people to register ahead of the 2023 season – We could introduce another line of kayaks by adjusting the chain, but any firm decision will wait until we get the additional chain.

- **Budget update** – 73 donations were made in 2021/22 and we have over 300 email addresses on our register. From 1st April 2022 to 28th June 2022 23 donations had been received. Current balance is £4,246.01.
- **Registration** - We will place a softly softly note on all non-registered boats (about 100)
- **2023 Season** – Agreed to reserve space for the Catamarans next year, but just for the first 30 days, as we would rather let them go where they want. Keep the spaces reserved for the CRAB & Blakeney Sailing Club Patrol Boats as previously agreed.

7. Donation versus Fee; ahead of the 2023 season; *Resolved;*

- Forecast a **budget**, which would show the costs if we were to help fund the slipway repairs (ie. aspirational if we agreed to assist financially), new chains with bigger links and to be repositioned, stakes, labour costs, new labels etc; perhaps initially just an informal meeting to discuss ideas, and then bring back to the table formally would be best approach.

8. Correspondence in relation to the dinghy park, ***Resolved;***

- An ongoing note on file; do we place a ***cycle rack*** at the dinghy park – No not needed.
- No **kayak storage** units
- **Boat removal** – as confirmed to AC by email on the 15th June 2022, our flowchart defines our 'boat/craft' removal actions, which has been in operation for the past 10 years, and is in addition to the legal advice and insurance advice taken, in consultation with the police at the time.

9. There were no other **Management Issues** not covered above which members would like to be included on the next agenda.

10. Date of the **Next Meeting** – Tuesday 13th September at 5pm in the Parish Office.
