

Pharmabox Feedback Request

Blakeney Parish Council would like to hear the views of local residents who use the Holt Surgery Pharmabox, located in the Blakeney village Hall car park, on Langham Road, Blakeney.

The Pharmabox has been in situ for a while now and is used for the collection of medical prescriptions, and we would be grateful for feedback on how well it is working for patients and whether there are any improvements that could be made. We will collate all responses and pass them on to Holt Medical Practice. We must stress, that it is not within the power of the parish council to make or promise any changes. **If you use the Pharmabox, please let us know your thoughts by answering the questions below.** *We are not collecting any personal information.*
